YOUR TEAM OF EXPERTS

BRIAN MCNULTY, Assistant Vice President, Commercial Lines
262.619.2824 | bmcnulty@johnsonins.com

Brian has worked in property and casualty insurance for 10 years, the past seven of which have been with Johnson Insurance. Brian trained as a property and casualty underwriter early in his insurance career, an opportunity that allowed him to develop the acumen required to educate clients in the nuances of what is often considered a very technical product. It's an expertise that allows him to offer a higher level of risk management service as compared to standard property and casualty agents.

RUTH VORWALD, Vice President, Strategic Sales Manager

With nearly 30 years of experience, Ruth has extensive knowledge of the intricate property and casualty insurance needs of businesses. As Vice President of Strategic Sales, Ruth helps clients understand the insurance options that are available. By developing long-term partnerships with clients, she is able to offer strategies that effectively help them manage risk while reducing her clients' bottom lines.
